## Home Activity Ideas

In the parent update meeting, we were discussing homework. One of the discussions was around playing games as a great way to support language, social and maths. The repetitive natures of the games can really support basic skills – and are fun to play.

Here you can see a great offer currently at Argos!

Other ideas are card games, dominos, and word games such as scrabble, appleletters and bananagrams

**Current Year 6 children** can now apply for a secondary school place.

For those living in Birmingham this should be done via the local authority admissions website:

[https://www.birmingham.gov.uk/info/20119/school\\_admissions/1778/apply\\_for\\_a\\_secondary\\_school\\_year\\_7\\_place](https://www.birmingham.gov.uk/info/20119/school_admissions/1778/apply_for_a_secondary_school_year_7_place)

You can list up to **six different secondary schools** as preferences in your application. This can include schools outside of Birmingham.

**Make sure you list at least one local school where your child would have met the admissions criteria in previous years**

If you don't do this, you might end up with a place offered which is none of your options and will be the most local school with places available; this could be several miles away!

Birmingham City Council runs a co-ordinated admissions scheme with neighbouring local authorities.

If you are applying for schools in another local authority then we recommend that you contact them for their admissions arrangements as this will help you to decide if your application is likely to be successful.

Birmingham City Council will only deal with applications for school places if you live in Birmingham and pay council tax to the authority.

Local secondary schools often have open evenings for prospective children and parents.

Here are the local schools which we strongly advice are included as at least one of your 6 options.

## **School Census Day – Thursday 2<sup>nd</sup> October**

---

### **Why is this Census Important?**

The census is a key source of data used to calculate schools' funding.

For some of our funding we only get this if children are in school on Thursday 2<sup>nd</sup> October.

To maximise our funding, we need to try to ensure as many children as possible attend on this day – please help us with this where you can.

(We know some children may be ill on that day and that's okay!)

## Year 1 Dinosaur Lunch

As part of the year 1 theme – Jurassic Era, the children will have special lunch options on Tuesday 30<sup>th</sup> September. No need to book as all Year 1 children have a free school lunch.

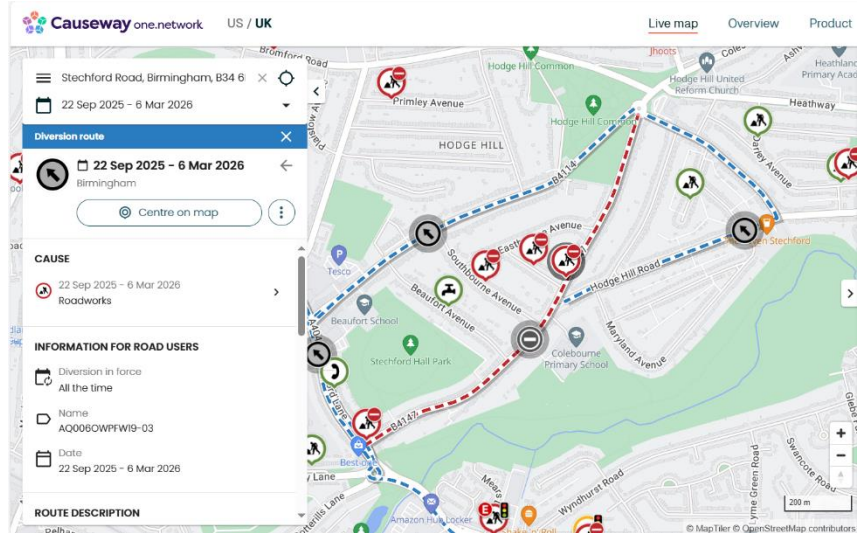

## Stechford Road – Road Closure Update

This week I met with the team from Keir who are working on the pavement replacements along Stechford Road.

They have informed us that the road closures will be in sections starting from the Stechford Lane

end and working down Stechford Road. These works will take place over many months and they are aiming to complete the works outside of Colebourne during the October half term to avoid too much disruption.

## Water Bottles – Regular washing

We have noticed some of the children's water bottles have started to have moldy bits – especially in the pop out straws and lids.

Please can you encourage your child to bring home their bottle each day for washing.

### Year 3 – Kinver Trip

Year 3 had a fantastic time at Kinver Edge this week! The children were amazing and did the school proud. There were lots of great questions and a lot of bravery to be seen in taking on new challenges to see if they could have been a child in the Iron Age.

Children made clay pots, did willow weaving, started a fire, handled artifaccts and climbed to the top of the hill to see the Hill Fort location.

## Year 4 Wroxeter Roman City Trip

Year 4 had a brilliant time stepping back in time at Wroxeter Roman City!

The children loved exploring the ruins of Roman houses, walking the same streets ancient Romans once did, and really bringing their learning to life. They took part in hands-on activities like designing their own Roman mosaics and identifying spices and herbs the Romans used in cooking through fun sensory tasks.

They also had the chance to see genuine Roman artifacts, helping them make some amazing connections to our class topic on the Roman Empire. It was brilliant to hear the children using their knowledge from class and asking thoughtful questions throughout the day.

The children demonstrated super listening, asked great questions, and displayed loads of enthusiasm — well done, Year 4!

## Macmillan Coffee Event - Friday 26<sup>th</sup> September from 8.40am

We would like to extend a heartfelt thank you to all parents who attended the Macmillan Coffee Morning and contributed so generously. Your support helped us raise much-needed funds for a worthy cause, and we truly appreciate your kindness and involvement in our school community.

Also, a big thanks to Mrs Lewis for organising this, and the staff for supporting.

**We have raised a fabulous £424.74**

## Stechford Lane Public Open Space Consultation

The local authority has been allocated dedicated S106 funding to improve the public open space at Stechford Lane and they are proposing to deliver a number of improvements for the local community. These range from a new accessible play area with associated disabled parking provision, to other improvements focusing on sport and fitness.

They would like to hear *your* views on what *you* feel is needed or would like to see in this space. For this reason, they have included a number of questions in the following survey, which are centred around seeking feedback from local residents on what they feel are priorities for this vital green space.

### School Policy Reminders

## Label clothing and equipment

---

Please label children's clothing – especially jumpers, coats and lunchboxes. Items with names on get back to their owners much faster!

## Start times and pick up times

---

### Start times:

The playground gates open at 8.30am. All pupils should be in class by 8.40pm.

The top gates are closed promptly at 8.40am.

Arrivals after this time should walk around to the school office via the vehicle entrance.

### Pick up times:

3.20pm (Monday to Thursday)

12.40 (Friday)

Reception doors open 5 minutes before these times to allow parents to collect reception children before collecting other children.

We ask that parents collect children from Year 3, 4, 5 and 6 BEFORE collecting siblings from Year 1 and 2; this helps us clear the playground at the end of the day.

---

**Nuts:**

---

Children should not bring any items containing nuts into school.

---

**Water Bottles:**

---

Please ensure your child has a fresh water bottle each day. It is important for their health and learning that they stay hydrated.

---

**Healthy snack:**

---

Please remember to send only healthy snacks for your child to enjoy during the school day. Thank you for supporting our commitment to healthy eating.

---

**Birthday Treats:**

---

We ask that birthday treats are not brought into school; this includes food items and gift bags.

---

**Jewellery:**

---

The only jewellery allowed in schools is studded earrings and watches (No devices with any recording function); **All jewellery MUST be removed for PE and swimming**; we suggest jewellery is left at home on PE and Swimming days.

---
